Subject: Questions discussed on Thursday

David

I attach a list of questions to which it would be helpful to have responses where possible to fill in gaps in our overall understanding. It may be we will have further questions along the way as we draft our report.

We discussed the majority of these questions on Thursday and I have sought to provide answers based on our discussions. Please review those answers to ensure I have understood you and Belinda correctly and there is nothing important that I have missed. I have set out a few follow-up questions and these are underlined. I have also highlighted spaces for the responses to questions I don't think we specifically covered and I should be grateful if you could provide answers to those questions if possible.

Do feel free to call me if you would like to discuss.

Many thanks
