Re: Request for Authority for Disclosure of Information

Dear Miss Skinner

I currently have conduct of the confiscation investigation in your case. On 1st June 2006 you signed Authority for Disclosure of Information for 2 Halifax plc accounts. These were submitted to your branch and we received a response from Halifax Customer Services re the account numbered GRO. They did not respond to the other authority because the quoted account number was incorrect.

Accordingly I write to you again to get a new authority to obtain disclosure from the Halifax plc. I have associated with this letter 2 further copies of a partly completed "Authority for Disclosure of Information" forms. If you agree to give authority I would ask that you complete the forms and return them to me.

I would also ask that you give me details of any other accounts with other financial institutions to which you are a signatory and complete two authorities for disclosure forms in respect each financial institution. The exception to this is the following four financial institutions, as I do not require further information from these;

- Kensington Mortgage Services
- Welcome Financial Services
- Friends Provident
- GE Money Motor Finance

I have enclosed some blank forms for your attention should you have other accounts which I am currently not aware, if so could please sign two 2 copies of the authority for each and then return them to me in the enclosed envelope.

In view of the pressing nature of this matter would you please respond to me within 7 days of receipt? If you have any queries please do not hesitate to contact me.
