CASE POLTD/0506/0336

The above named Defendant appeared at Chatham Magistrates Court on 19 January 2006. The Defendant pleaded guilty to the three charges before the Court and accepted the further offences set out on the Schedule of TIC's. Jurisdiction was declined, on the basis that the Court sentencing powers were insufficient. The Defendant's next appearance will be at Maidstone Crown Court on a date to be notified. The Defence were put on notice that there would be an application in the Crown Court for compensation.

Natasha Bernard should attend the sentencing hearing. As soon as we are advised of the date of that hearing, Natasha will be informed.
