Thanks Chris.

Can you confirm we are expecting copies of BP's files for the following "In Scope" SPM's:

1. Seema Mishra;
2. Terrence Walters

and the further "Out of Scope" SPM's:

3. [GRO] and
4. Julian Wilson?

FYI – I had a good tel call with Alison Bolsover, who has located files for [GRO] and [GRO] meaning we have now located a file for each of "In Scope" SPM.

Thanks for your help with this. Have a good weekend!
Rod

R

I have left the RM legal file on your desk.

The papers in the plastic wallets were provided by Alison Bolsover in Chesterfield at the time that the business (i.e. POL) was considering commencing proceedings to recover financial losses from Mr Walters. This has never been progressed because of the MP queries raised. I expect these papers to be duplicates of those held by Bond Pearce, but I see no reason why they could not be provided to Second Sight.

Bond Pearce are sending through what they have on this case. This will include the security file.

Happy to discuss.

Regards

Chris Darvill
