John,

As this is similar in size to another request recently submitted, I would say around 6 weeks - though it may be shorter or longer (really depends on other workloads, other requests by Investigators, etc). It's also one of those tasks that Fujitsu need to commence before really knowing the timescales.

Penny,

Please feel free to comment if you have differing views.

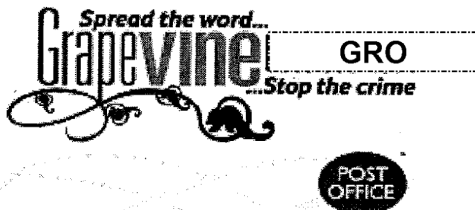

Regards,

Dave Posnett

Dave

Do we know the timescales involved for collating this information.
