Subject: Misra Skeleton

Dear Jarnail,

Please find attached my skeleton. Please read it through and give me a call if there are mistakes or there is anything you're not happy with.

As you will see I would like the Defence's Further Request for Disclosure dated 30/11/09 to be attached to the skeleton as well as Mr Jenkins' additions to McLachlan's schedule. I attach the second document to this email. Please could Mr Jenkin's document be printed off in colour if that is possible, otherwise it will be difficult to find his comments.
