Hi Tom's,

You both tasked me with doing some research on the convicted claimants in the GLO so I have decided to lump them together into one document.

Tom A in relation to how they were treated in the last mediation and Tom C in how their stories are portrayed in the public domain.

Please see attached an initial draft of what I've done so far. Let me know if this ticks the boxes or not.

I've looked specifically at 5 of the convicted claimants, 2 of whom (Jo Hamilton and Seema Misra) feature quite prominently in multiple media releases and the NW blog.

I have to say it has been a little harrowing reading up on the stories but I think a useful exercise to understand some of the convicted Claimants positions.

Cheers,

Josh
