Hi Gareth

We have received the attached from Post Office. I have spoken to Pete Sewell to see how we could best fill the request, especially with the huge depletion of POA engineers who would normally help us, and we both agreed you were the best first port of call.

Please, could you review the request and (a) see if you can help at all and (b) advise who else I could best call on for help.

The next 'meeting' at court is scheduled for Tuesday, 13 September and Post Office have asked if we could respond by close of play Friday this week.

Thanks for your help.

Kind regards  
Penny

All

Please see the attached list of questions posed by defence solicitors in a case being led by the DWP. Are you able to provide the answers, which may well be needed in the form of a witness statement.

I will ring later to discuss further.
