Dear Mrs O'Conner

After examining a Lloyds TSB accounts held by Tahir Mahmood **GRO** **GRO** account **GRO** and **GRO** account **GRO** I can see that payments were made to Scottish Widows. Could you please detail the policy/s holder and policy/s number, what the payments are for and if the policy/s has any cash value.

I originally sent a DPA 29 (3) to Scottish Widows however they were not happy to deal with me and I believe that this information may be available under the production order dated 13th January reference the number listed above. If you have any queries in this case could you please contact me and I would be happy to help.
