Mandy,

Enclosed is a statement covering Post Office's approach to ensuring that Horizon was suitable for its intended uses and users. I am also copying this to Susanne Helliwell. This is general, rather than specific to Cleveleys, and in effect is the detail behind some of the assertions in paragraph 5 of my earlier witness statement (signed on 14/10/2003). As agreed, I haven't attempted to put this into the format required by the court.

Further Evidence from KB.do

I understand that Jan Holmes may need until tomorrow to finish pulling together the information that he is to provide.

Regards,

Keith
