Well done to everyone involved. If I was a caring sharing manager I would buy a drink for everyone involved

So I won't

Graham,

Just a quick note to thank you for the above in relation to the Horizon system and the GMT/BST situation. This evidence was allowed to form part of the case and the Defendant was ultimately found guilty of 8 false accounting charges and 1 theft charge. I appreciate the fact you supplied the statement, especially given the short notice you received.

Regards,  
Dave Posnett
