24th June 2003

Dear DC Allen,

With regard to your letter of 16th June to Peter Sewell I am enclosing a Witness Statement, completed by me, into the activities at 110 Holderness Road (Brazil Street) Post Office on 22nd April 2003. I hope that it answers the questions raised in your original letter.

I would advise you that I am on summer holiday from Monday July 28th to Tuesday August 12th and will be unavailable to assist during that time.

If, in the meantime, you need further help or clarification please do not hesitate to contact me on GRO.

Yours sincerely,

Jan R. Holmes
