The sooner I get the material the better. I have to be in Cambs next Tuesday so if I can have it electronically that would be best. I will have time to review it during that day and on the Wednesday if necessary.

Tony / David,

By way of update, and I believe David C may have spoken to you both already, the PO team plan to provide you both with the Grounds and Skeleton early morning on Tuesday 7 May.

Looking at the diary you both have commitments that day, so it may be late afternoon until you when you have opportunity to look at them in detail.

Do let me know.

Best

Ben
