David

We provided the advice from Counsel Harry Bower to the PF. I not received or seen any response from PF to Mr Doran or his representative.

Harry Bowyer Senior Counsel at Cartwright King has considered the material which was provided. Please find attached his Advice on the Evidence. This was send to Procurator Fiscal's office in Scotland who were dealing with Mr Doran complaint.

You will note particularly the conclusive conclusion that the likelihood of Horizon being at fault was 'vanishingly unlikely'.

Hope this helps.

Jarnail,

As discussed can you please look into the background of this case. The correspondence attached makes a number of references to Post Office with regard to the evidence in the case and some correspondence with the Solicitor

General's office in Scotland. Before deciding how to reply it would be very helpful to know the accuracy of the claims in the letter. As I think I mentioned James Arbuthnot has taken up the case and has asked for a meeting with Paula about it.

Many thanks

David

Janet,

Can you pass me the copies of the other letters under ECT 513/14 and I will pull together a consolidated draft.

Thanks

Avene

I am away next week. I have passed to David who will have a look at this in my absence although I do not think this is a Scheme case.

Best wishes
Belinda
