Stephen,

I do not work from Darlington, I work from home, my address is [GRO].

I will get the statement back to you as soon as possible.

Please could you inform me what will be required of me, will I have to go to court ? or will the statements all be written and the solicitor answer questions?

Regards,

Cath.

Dear Cath

I refer to our previous conversations and attach a draft witness statement for your comment and approval. Please can you review the draft statement and in particular the comments in bold italics and CAPITALS and amend the statement as appropriate then email it back to me. Please also can you confirm whether your address is definitely [GRO] If it is, then as the exhibits to your witness statement are bulky, I will post them to you there so that you have them to hand as they will help you with the statement.

I look forward to hearing from you as soon as possible.

Kind regards.

Stephen Dilley
