Those statements that I was able to read from the attachment below, were irrelevant uncorroborated drivel and I would suggest that our barrister would expose them to be the same.
I would suggest that it may be prudent to check through Companies House to ascertain if there is any correlation between the directors of the Car Auction and the Castleton family.

The references regarding the Retail Line Manager really need to be answered by Cath.

I do urgently need a witness schedule as I have already stated I unavailable next Friday and need clarification on the requirements for next week.
