Dear Sir

Re: R v Grant Allen
Chester Crown Court T20120537
PCMH 10th December 2012

Thank you for your letter of the 2nd November 2012.

An independent review of the Horizon system has been due to take place for several months now, although my understanding is that at present, the number of cases to be considered is still yet to be determined. I am not aware of any time frame for publication of a final report. Upon receipt of the report we will of course consider it under our continuing duty of disclosure and provide a copy if appropriate.

I hope this is of assistance.

Yours sincerely

Andrew Bolc
