I'm using Katie for everything new.

Michael is updating the plan (current version attached). Work is currently allocated as follows:-

Angela vd B – Ed/Katie/me;

Steve Parker – me;

Torstein – Lucy;

Catherine Hamilton – Katie;

Paul Smith – Lucy;

Dave Johnson 2 – Emma;

Alison B – Emma.

Emma is busy with something that she's working on with RDC, but otherwise I'd say this is top priority.

Let me know if you want to discuss.

Thanks

J

Have you got all the help you need?

Is the Horizon evidence number 1 priority for everyone?

My feeling is that the team should be near full-time on this for the next 2 weeks? Is that happening? If not, how can I make that happen?

Katie has loads of capacity so use her for everything.
