Good afternoon David

Please find attached the finalised statement for your signature. I have converted the statement to a pdf so that the formatting does not change when I email it to you.

Signing a statement of truth

A witness statement must have a "statement of truth". This is a statement confirming that the person making it believes that the facts stated in the document are true. The penalties for signing a statement of truth without an honest belief in the truth of the facts being verified are potentially severe. A person who makes a false statement in litigation in an attempt to interfere with the course of justice will be in contempt of court, which is punishable by a prison sentence of up to two years.

Please could you:

carefully review your witness statement;

if you are satisfied with the content of the same, please sign the statement of truth;

email me a PDF / photo of the signed witness statement; and

send the original signed witness statement to Victoria Brooks at Womble Bond Dickinson, Temple Quay, 3 Temple Back East, Bristol BS1 6DZ.

Kind regards

Beth
