Christopher

Thank you for the summary.

The information provided on Fridays' call has been fed into the Defence. Please find attached the updated sections of the draft Defence and a comparison to the last version which was circulated.

We would be grateful if you could review this extract and provide any comments which you may have. If there are any sections which you believe are incorrect, please could flag and explain these.

Would it be possible to complete this review by close of business tomorrow?

Kind regards

Amy

Subject: Project Bramble: Legally Privileged and Confidential - DO NOT FORWARD

Andy,

Re Pleading 21 and our meeting on 22 June when you requested a summary of what "Horizon "does", I am pleased to attach a summary broken down into service line activity.

I trust that this addresses your question albeit in a slightly different manner possibly than you may be expecting, due to the complexity of the service supply.

Best regards,

Chris
