Dear All

In advance of the tomorrow's meeting at One Essex Court (starting at 10am), please find attached a starting list of topics to be discussed. There may be further areas which Tony and Owain wish to expand into but I hope the list will cover the main areas.

Please also find attached:

- Generic Particulars of Claim (**Kath / Huw** – there is no need to read the whole document but I would suggest having a brief look at the paragraphs referred to in the agenda).
- Briefing notes which have been provided to Counsel on these topics:
 - Note on paragraphs 12, 19.2 and 19.3 of the GPOC
 - Briefing note on transaction acknowledgments
 - Briefing note on balancing / transaction corrections

If there are any questions, please let me know.

Kind regards

Amy
