Have sent a teams but can someone urgently try and find those slides that POL presented to the minister about headcount? I think it was from the first meeting where the interim CFO attended

He is also asking for a complete breakdown of POL staff by pay and by grade - he's asked POL for this multiple times and is getting increasingly frustrated that this has not been supplied.

This is very urgent

thanks,

Jamie

Hi Jamie,

As discussed, please find attached an updated briefing which reflects POL's request to reorder the Agenda and includes lines on the Postmaster Remuneration announcement.

N.B. I have reiterated to POL colleagues the importance of keeping to time and ensuring that item 2 (Central Costs) gets a proper airing.

All the best,

Rebecca
