Colin,

I've done a bit more to this but if I continue I fear I might call him a git, or something worse.

I'll be in CRE02 and have access to email tomorrow up to 2:00pm so if we want to progress it and send it to Jim Cruise we will need to do something tomorrow am.

Should we be involving Mason's at this stage?

Cheers,

04-03-04
