Martin,

How could the Interim Report be used by those who had been prosecuted, whether found guilty or not (i.e. those who complain about being subjected to the stress etc of prosecution)?

Rodric

Dear Hugh,

Thanks for letting us have a copy of this.

Our advice overall with regard to disclosure has not changed. The disclosure of a partial report would not meet with our duties or help the current situation. I think the disclosure of a partial report would provide partial information and give rise to adverse publicity and speculation. It would be far better to advise once we have seen the entire report. Having said that the Second Sight report would not need to be disclosed in every case - that decision would be taken on a case-by-case basis. In many cases it will not be disclosable.

When do you think we will get to see all of the Spot Reports. We will undoubtedly have a list of questions thereafter. At the present time we have some concerns arising out of the draft, for example in relation to paras 5.6, 6.1, 6.3, 6.4, 6.5, 6.6, 6.8, 6.10, 6.11 and 7.2.

Although we cannot properly advise until we have seen all of the relevant material, this will not prevent the review process from proceeding with expedition. We propose to draft parameters which will work on a worst case scenario.

Kind regards,

Martin.

Please find attached a first rough draft from SS of one half of the Interim Report.
This will be supplemented tomorrow by a section on Spot Reviews.

Please would you let us have your material & significant concerns on this first thing tomorrow morning please. If this timing is not possible please shout asap.

Thanks
