George,

I'm going to publish the attached grant agreement on the 'about us' page on our website. Do I need to publish the deed of novation too?

Jen

Dear George

Further to the discussions we have had between us since the inception of the Grant Agreement in 2013, I can confirm that we are now in a position to agree publication of the agreement (and associated Novation Agreement).

We have decided previously that this would be via NFSP publishing via your website – please proceed with this as soon as possible. I have attached a PDF version of each document – please can you ensure for the GA it is clear that this was the version that was entered into and the date of the agreement (21/7/15).

Please advise when this has been placed on your website and a copy of the link.
