Mandy/Richard

I am sorry for the delay in dealing with matters but I am trying to pick up where Stephen left off. He has ask that I send you a copy of Cath Oglesby's witness statement for you comments (see attached). Forgive me if you have already seen this but I just need to get this finalised with a view to serving on RC (and the other statements) as soon as practically possible.

I also have a statement for Helen Rose to check through and I envisage sending this to everyone this afternoon or tomorrow for comment.

In terms of the Part 36 offer, are we now in a position to send that to RC?

Finally, and again forgive me if I am repeating anything that Stephen has already dealt with, do you know Mandy if any progress has been made with David Halbert getting anything out of Fujitsu? Stephen says in a note to me that he sent to Nick Samuel (now left I understand) a letter to be passed to Fujitsu, and that is what, I presume, David is following up or will be doing so.

Regards.
