BASILDON CROWN COURT  
TRIAL - W/L W/C 22ND JANUARY 2007

We spoke about the above case on Friday 19th January 2007. I have now received the following request from the Defence Solicitors in respect of the TRM in relation to the records for the machine that was placed in the shop owned by Miss Palmer and you need to contact Iris McQuillan - Graham, UK Security Manager for TRM (Telephone No. [GRO] Mobile No. [GRO] or may be E-Mail her with the following information:-

- 1 Exactly when the machine was installed.
- 2 Whether how much cash was being withdrawn each day.
- 3 When and how many times the company engineer had visited to repair faults to that machine.

Could you deal with this as a matter of urgency please.

If you need to discuss any aspects of the above please do not hesitate to contact me.
