All,

SoS has reviewed this advice and has expressed preference for the first 7 options to pursue. Content for you to proceed on this basis and we can discuss further at Industry meeting when next scheduled.

Thanks,
Bex

Hi all,

Aside from the hustings Kelly does not have a clash with Industry tomorrow, so we are working on the basis that she should be available to attend.

Many thanks,

Gordon

Thanks, Ben – we spoke and I confirmed that delaying until next week’s industry meeting would be fine.

As long as Ministers know we’ve put the advice up promptly, as they requested, then another week is ok by us.

You also mentioned that Alex may mention it to SoS during their KIT later today so do let us know if anything comes out of that conversation that we need to know.

Carl.

Hi Carl, SoS office, Kelly’s office,

I think the planets are aligning for this to actually feature at next week’s industry weekly, rather than this Wednesday? Bex said that would be better next week as already a packed agenda this week, and I’ve just learned from Alex that Kelly won’t be attending tomorrow anyway. Is that right?

Cheers,

Ben

Subject: OFF SEN COMMERCIAL: Post Office Litigation - advice

Hi Bex and Sam,

Following last week's industry meeting, I attach our advice on the issues that the SoS and Kelly Tolhurst raised.

I would be grateful if this could be put to Ministers at an early opportunity, please. I understand it may be for discussion at tomorrow's industry meeting.

Many thanks to Craig Watson for all his work on this!

Carl.
