Mark – sure, happy to chat, probably best first thing (i.e. before 0930, I have a call to do then for an hour). Let me know what works (I'm in from about 0745 usually).
Avene – I could do 1115-1130 if that works?

Hi Richard

I've added Jane to the copy list for this: it would be good to catch up on this: we are meeting with Paula tomorrow to discuss the meeting so if it isn't possible for you and Paula to speak before then, can we (myself or Jane) grab a word?

Hi Avene – we had a catch up with Lady Neville Rolfe today about Sparrow. Paula is seeing her on Thursday morning first thing(ish) and I thought it might be worthwhile me having a chat with Paula for five minutes over the phone tomorrow if there is time – I appreciate its her first day back but grateful if we could find a slot, its worth her being aware of LNR's mood and position (not that there's too much to worry about).

Do let me know if there's a suitable slot. Karen is away tomorrow so please liaise with me directly.

Thanks

R
