GM: 60 cases in scheme
12 with crime convictions

↳ these cases were not in CK full review

Q. Should they be reviewed?

Current Answer: No cases before 1 Jan 2010 (Horizon online)

Also, Falkirk bus which was before 1 Jan 2010

MS: Q is whether Falkirk bus affected other cases
and whether further disc needed?

BAQC: letter A p46. AJ says that problem was
at Calender Square

Affected in 2005

Fix rolled out in ~~2006~~ March 2006 - network wide

1 Jan 2010 - logical and proportionate

If D's say prob with del H, then
can review cases on an ad hoc basis

SS were not limited to HOL or old Horizon

~~And~~ And no bugs found by SS in old H

So on solid ground to stop ~~ref~~ review at 1 Jan 2010.
