Reference: Losses and Gains

Dear Mr Wakley

I am in receipt of your letter dated 4th June 2003.

Unlike Post Office Ltd, I am fully compliant with the terms of my Contract of Service and as I have stated in my previous letter (15th May 2003) I would gladly make good any losses caused in the manner specified in section 12, paragraph 12. I would now suggest that my position in this matter has been made abundantly clear in all my previous correspondence.
