| Thx Neil. Really appreciate that. | | | |
| And in the context of that what was so rewarding in terms of that, is that I had a note from Paul re the drop at neighbour trial this am. Completely unprompted by me or you therefore! | | | |
| I have asked him to send to you and Alice. I shall brief the rest of the board in my next report. | | | |
| Some of the Strat papers took some working but the teams are really up for learning. And that's a good place to be. Any queries anytime. | | | |
| Nice to have you back fit and well! Enjoy your weekend. | | | |

| | | I started reading the Strategy pack earlier. I thought it was really good. I had a few thoughts that I may send over just to you and chris tomorrow. Cheers Neil | |
