Rodric

As discussed yesterday, please find attached the pack of letters that I think need sending to tie off the legal issues. This includes:

- Termination Notice to SS
- Work Plan for SS (+ confid / publicity obligations)
- Closure of scheme letters
- Letter to Kay re her fees.

Belinda, Tom, Patrick – I've copied you so that you can see the state of play but you might want to wait for Rod and I to bash this into shape before commenting (though comments are always welcomed!).
