Left a message today. Paula is out on [GRO] this week. They're going to see whether she can fit in a call with me some time next week (!). The Defence Team Representative (Belinda Crowe) wanted to know what I wanted to speak to Paula about (the weather maybe?). I gave her a broad outline but obviously I want to have a person-to-person quick call with Paula not to have some intermediary intercept/interpret/dilute/relay. Will persevere.

Best regards, Ron

Hi Ron

Things here are starting to speed up and I wonder whether you had managed to have a word with Paula yet. We are getting calls from journalists and James will need to say something soon, but wants to talk to Paula first. Can you let me know when you have scheduled a phone call with her please?

Many thanks indeed,
Janet
