Andy

I have done the same and reached the same conclusion. Let's discuss how to pitch this tomorrow.

Patrick

I've quickly reviewed the cases up for mediation decision this week. Unfortunately, I think POL is going to have to say "no" to mediation on all of them.

M001 – civil judgment given and not shown to be incorrect.
M003 – criminal case (false accounting)
M029 – criminal case (false accounting)
M035 – criminal case (false accounting)
M052 – criminal case (theft and false accounting)
M062 – criminal case (caution for false accounting)

Happy to run through this in more detail / discuss how to pitch our arguments on each one.

Kind regards
Andy

Hi Patrick

You now have all of the case files, which have been updated to include the final CRRs and Applicant responses (where applicable). You might find it useful to look at the attached briefing note, which I produced with Andy P's input for the last face-to-face. I think all that's needed for tomorrow is the headline summary table (Belinda / David, please confirm).

Best wishes

Jess

Yes, happy to do that. I will need to print the CRRs off, read them and then Andy and I can have a chat when he's available to do so.

To see.

This addresses a couple of the issues relating to how to deal with the cases which are back with SS following last week's face to face.

A few other points to note:

We have a number of final CRRs on which to make a mediation assessment and, where we agree to mediation, let the Working group know tomorrow, otherwise defer for the next face to face. David will be doing a short speaking note for Chris tomorrow and he will need a couple of lines on each case, limited to yes we'll mediate or we want to discuss at the face to face. (Patrick/Andy, would you please liaise over that?)

Note that SS has revised its recommendation on the final CRR for M052 – do have a look. POL's position will be not to mediate the case so this will be a face to face discussion.

Best wishes

Subject: Scheduling

Belinda,

This is just to confirm that since last week's meeting the following Draft and Final CRRs have been uploaded to Huddle:

DRAFT

M065

FINAL

M001

M003

M029

M035

M052 *

M062 **

* I believe that Ron has alerted you to this, which is referred to as Version 2A.

Given additional input received from the Applicant's PA the Mediation recommendation has been changed from that in the Draft CRR.

** This is the revised version, produced following the request at last week's face to face meeting and is referred to as V2.

This answers one of the concerns that you raised with me yesterday.

I understand that by the end of this week (26 September) the following Draft CRRs should also have been completed and uploaded:

M005

M007

M011

M013

M073

May I suggest that you leave M039 as is but mark that it may be revisited once the Part Two Report has been finalised?
I will respond to Lucy in more detail on the scheduling of all cases.
