
Question 1 of the Inquiry's Call for Evidence

What impact did the operation & management of the Horizon IT system have, & what effects were personally experienced as a result?

I had no issues in one branch, and many in the other branch, which I bought from the mother of [REDACTED], who took his own life following persecution from Post Office Ltd. It struck me as extremely odd that during my review meeting with [REDACTED], when I told him that had we known about the suicide we would not have bought the branch. He claimed to know nothing about the suicide, even though he interviewed me for that branch. I do not believe him. It reached national newspapers, and a NW Area Contracts Manager didn't know about it?
