

## Current practice and procedure within the Post Office, and compensation

**23**  
Hearing  
Days

Phase 7 has spanned **23 days of hearings**, examining issues such as current practise and procedure at the Post Office and whether the organisation has lived up to its commitment of “full and fair compensation.”

**33 witnesses** have given evidence, including senior figures at the Post Office, current and former ministers, civil servants, Governance expert witnesses and a representative from the independent research and data analytics firm, YouGov.

**33**  
witnesses

**Independent analytics firm YouGov** produced a report based on surveys completed by current sub -postmasters and Horizon Shortfall Scheme (HSS) applicants, which examined their experiences of the Post Office.

At the end of Phase 7, **Governance expert witnesses**, Dame Sandra Dawson and Dr Katy Steward, also produced a report about the corporate governance and culture at Post Office.
