OFFICIAL-SENSITIVE

Jess

Please find attached a submission (and annexes) on the Post Office's Long Term Vision, thanks to the Post Office policy team, UKGI, BEIS Finance, legal and analyst colleagues. Unfortunately share point is playing up so I have been unable to send you the link.

We would be grateful for Kelly's steers by 30th October if possible. The submission was sent to SpAds for information and they confirmed they did not have any comments.

Kind regards
