Subject: Postmaster Litigation Steering Group Call Tomorrow @ 14:30pm (Wakefield 1.19 has been booked for those in the Office)
Attachments: Decision Paper - PLSG - Disclosure of Peak System.pdf; Updating Paper - PLSG - Witness Evidence for Expert Reports.pdf

Dear all,

Tomorrow, @14:30 pm we have a PLSG call scheduled. Ahead of this call please find attached two decisions papers:

1. Whether Post Office should disclose the contents of the PEAK system to the Claimants.
2. Post Office's approach to evidence for the Horizon Issues Trial in March 2019.

These and future decision papers are also now available via the Postmaster Group Litigation 'Teams' site which Aimee (cc'd) has set up and will grant you access to tomorrow. Historic papers which also be available on this site by the end of the week.

Dial in details for tomorrow's call are:

Number: [GRO]
 Chair: [GRO]
 Participant: [GRO]

As per before, these calls are intended to be shorter than the meetings and to focus only on issues raised. As such, I do not intend to circulate:

- Agendas - unless a specific point is raised beforehand by an attendee on behalf of the area of the business that they represent; or
- Open actions – unless they are urgent. I will pick these up with the individuals outside of the call and or in the F2F meetings.

Many thanks

Mark
