Andy

Please see paragraph 20.4 of the attached draft of Second Sight's Part 2 report. This paragraph was omitted from the final report but it provides some useful context against which the question should make more sense.

Please also see paragraph 17.1 of the final report (also attached). I hope this is helpful.

I am speaking to my colleagues to try to identify specific cases where this issue has arisen. I will provide you with any further information as soon as I have it.

Kind regards

Paul

Can you give me some more information on numbers 9, I have not heard of this issue before.

Morning Dave

Further to Belinda's email below, please see attached the a table setting out all the Second Sight questions POL is proposing to answer and the relevant person to whom each question has been assigned.

The questions we would be grateful if you could answer are as follows:

- Question 3 (we have also sent this question to Andy Holt so to avoid duplication of work, please can you liaise with him?);
- Question 9 (again this question has also been sent to Andy Holt).

You will notice, the numbering jumps around a little. That is the result of our removing some questions from Second Sight's original list because they were either outside the scope of the scheme or POL has already answered them.

If you have any questions, please let me know.

I look forward to receiving your answers - thanks for all your help.

Kind regards

Paul

Dear all

As part of the finalisation of their Part Two Report, Second Sight has prepared a long list of questions for Post Office on various themes running through the scheme.

You have been identified as someone within POL who may be able to provide some of the answers needed. The questions have been broken down into categories and you will be sent the questions that we think you may be able to help with individually.

Please can you prepare answers to the questions assigned to you and then send those answers to Paul Loraine at Bond Dickinson (email: paul.loraine@bond-dickinson.com GRO Telephone GRO). If you have been given questions that are not within your expertise, please can you let Paul know who will be best placed within POL to answer those questions.

I appreciate the timing of this request is not ideal with the Christmas break approaching but I would be very grateful if you could prepare your answers as soon as possible and, at the latest, before Christmas.

You will also receive a meeting invitation for 09/01/2015. This is meeting set up for our experts (you guys) to meet Second Sight and talk through the answers we have provided. Please let Paul know ASAP if you will be unable to make this meeting

If you have any questions, please let me know.

Thank you for all your hard work on this - it is much appreciated.

Kind regards

Belinda
