Hi Joanne

I terminated the Contract for Services of Mrs Susan McKnight as she resigned to avoid termination following her suspension.

Having lost all my files from my laptop when it died so don't have much on this. My recollection is a loss of approx £55k but Mrs McKnight tried to blame a member of staff, Horizon and lack of training.

Steve do you have any info from this case as I recall the daughter and son ran the place as Mrs McKnight suffered with MS

Regards

Paul

Hi Paul

I can see your on leave, can you give me a call on your return regarding above office.
Mike Birtwistle is leaving under NT and 3rd party retailer has shown their interest but it has been brought to my attention that they were suspended previously?

Please advise
