Dear Mr Kemp

Thank you for your enquiry via our website.

The NFSP are not managing the cases related to losses suspected of being incurred due to Horizon. We believe the option to join the group litigation has closed at present but that may change. The case is being handled by a company called Freeths, and we suggest you contact them if you have evidence that the losses you incurred were as a direct result of Horizon.

Regards

GRO

| Enquiry | I would like to know who is managing the case on behalf of postmasters regarding discrepancies and the Horizon system. I lost £15000 over my 10 year stint and still believe it was a Horizon system fault rather than any misappropriation |
