All,

Please find attached a revised draft response to Second Sight's Part Two report following Belinda, Andy and I speaking to them yesterday. I have also attached the Part Two report for ease. **This needs to reach Second Sight tomorrow so I would be grateful for comments today/overnight which I will consolidate.**

Mel – as well as your comments can you also get Brunswick's and send through a consolidated return?

A few points to bear in mind:

- The letter is a work in progress and we will continue to tighten the drafting overnight.
- We will finalise who the signatory will be once we have finalised the content and tweak drafting accordingly.
- There will be a second stage of comment on the draft Second Sight report and it is at that stage we will send a tougher letter if the draft does not significantly improve.

Many Thanks

David
