Resending since Tom Wechsler's name was misspelt in the email address being used – now correct.

Andy

I attach my comments too, which I have tracked into Tom's version in an effort to cut down the work your colleagues are doing to bring a clean version together.

Kind regards

Patrick

All

Please find attached the draft Letter of Response (**LOR**).

The LOR is substantially ready for your review, save for two sections that will be addressed later: Remote Access (as per our discussion at the SG meeting) and GLO (which is the subject of ongoing correspondence with Freeths).

Your comments are welcomed on all of the LOR but may I ask that, as a minimum, you review the sections marked for your attention in the attached spreadsheet.

I should be grateful if you could provide your amendments / comments by close of business on Tuesday 19 July 2016 before our next Steering Group meeting on 20 July 2016. If possible, please could you send through comments / amendments by way of track changes to the letter.

In order to preserve legal privilege, please do not circulate the draft LOR to anyone else. You may discuss it with colleagues if necessary to do so but if you need to forward it to someone else for input, please can you speak to Rodric or me first.

Kind regards  
Andy
