Subject: SS costs

Susan, I had a useful conversation with Alice tonight re where we are with SS etc. Let's try and grab 5 mins tomorrow.

However, as the SS cost issue is (I assume?) still unresolved, it was the one question that I couldn't answer properly.

I am sure Chris will have this on his horizon (sorry no pun intended:) and I was able to tell Alice that you made the point in the JA meeting. And that I had asked Alwen to log the action. But I now need you and Chris to get to the answer.

I know you have told Ron that pro bono is what we expect. Thank you for doing that. We need to secure his agreement. And if not, then we need a new contract with SS that is quite specific about costs (still not much more than zero), and which details the ToR and timings.

Please could Martin have a line on this for my Board update for Wednesday.

Thanks, Paula
