Subject: RE: Letter from James Arbuthnot MP

Hi, I think after yesterday's meeting we can start drafting this. Sophie, would you be able to, please?

My suggestion is that the thrust is - re the update for MPs, Paula reiterates that she wrote in confidence to JA previously and does not expect him to use her comments re, e.g the SS report not being ready, publicly. She will consult the Chair when he is back in the country about what could go in an update to MPs.

On the AB letter, P understands AB may be under pressure but the aim of him being involved in the WG is that he is part of the oversight of the Scheme and with that comes responsibility. I think the approach should be that the WG discussed the letter, that is the right place for its contents to be discussed and the Chair has written to the Minister following that discussion. That was the right place for the discussion.

Subject: Letter from James Arbuthnot MP

Dear all,

Paula has received the attached letter today from Rt Hon James Arbuthnot MP. Could you work on a response and send a draft back to Martin, cc me, by 29th May please.

I also attach Paula's letter dated 14th May which James refers to.

FYI, Paula has not seen this yet, but I will be adding it to her weekend pack.

Many thanks,

GRO
