Al,

I agree that this should probably go in my name - Paula is off the set, and your appointment has yet get the right signatures! I'm sending separately a doc with a couple of changes.

The first para in the doc replaces the first four in my statement as originally proposed, after the preamble. The second para replaces the para in the original that starts with "this is a long and detailed...

Let me know if you're not happy with anything, or Mark.

Best

Tim
