Hi David,

Have you any thoughts on a holding reply? Also, was James's comment about having the working group meetings less "lawerly" mentioned to Paula? Any thoughts on how we should respond to this?

Thanks,

Yes am dealing with it. Am researching the case at the moment, initial thinking here is that it is not a case that Paula should meet James on this case so please don't agree any meeting with his office – also please don't let them know that is the thinking until we have finished researching the case. I will draft a holding reply though – just need to check who that should be sent by.

Hi David,

Hope you had a good weekend. Just a quick one, are you dealing with the Jim Hood MP request? If so, can you advise what the latest is and when we are likely to confirm back to James Arbuthnot?

Many thanks,
