Subject: CCRC - Ron Warmington's report?

Hi Rodric,

I've managed to find a bit more information about the report which Ron Warmington apparently wrote. Ron tells me that:

"I wrote the report on The Investigations Function in 2013 at the specific verbal request of the then General Counsel Susan Crichton - who later shared with me her concerns about POL's Investigation Department ('POID').

Later, in the latter part of January 2014 as I recall, my colleague Ian Henderson sent a copy of the report (still marked 'Draft' as far as I recall) to Chris Aujard, who at that time was Post Office's General Counsel, copying Belinda Crowe at POL. Aujard had asked to see a copy of the report after its existence was mentioned at a meeting of the Mediation Working Group. POL ought to be able to locate a copy of that email - to which the report was attached. As mentioned, it was sent by Ian to those two POL employees, copying also myself. "

I hope that will help to track it down.

I'm not in work for the rest of the week, but I'll be back on Monday 31st if you need to speak to me.

Thanks,
Amanda
