Subject: RE: Meeting with Finance Team

Ian,

Thanks for your email. As discussed at the Working Group last week, I have now talked to both the relevant people in the finance team and to Alisdair Cameron, our newly appointed Chief Financial Officer; many apologies that it has taken a few days to get hold of them and get back to you. Nonetheless, I am pleased now to confirm that not only will members of the team from the FSC in Chesterfield be able to make themselves available to meet you, but that Alisdair himself will also attend the meeting.

As I think I may have mentioned to you previously, Alisdair only joined Post Office at the beginning of the month. In light of this, his desire to bring himself up to speed so that he is fully equipped to answer your questions and the need to co-ordinate somewhat congested diaries, I would suggest the following: we provide the written answers/information as and when we send over the other information we are providing (which I think is at the beginning of next week) and that you meet with Alisdair and the team once you have had an opportunity properly to consider the written information. Alisdair has said he could be available Monday 2 February. Would that date work for you and Ron?

Regards

Chris

Chris

At last week's face-to-face meeting you agreed to arrange a meeting with representatives from the POL finance team in order to discuss the Part 2 questions relation to the POL Suspense Account, together with the provision of the data requested.

Belinda also said she would try to find a previously prepared document summarising the Suspense Account transactions in advance of any meeting.

You were hoping to arrange the meeting for Tuesday or Wednesday of this week.

I would be grateful for an update on this. I confirm that Ron and I are available on both Tuesday and Wednesday this week.

I look forward to hearing from you.

With best wishes
